### MATHCOUNTS School Handbook | MATHCOUNTS

MathCounts is a national non-profit organization that promotes the importance of math at the pivotal middle school age. At WAAS, we have an after school club open to all middle schoolers from the first of October through mid-November from 2:30-3:30. A team of ten from that group will compete in a practice county round held on January 24th and a regional competition held on February 22nd.

**2012-2013 School Handbook**

MathCounts is the most well known middle school math competition. This year my son will participate for the first time. Both of us are really excited. In order to prepare him I bought all available books on this subject. After reviewing them I did not find any satisfactory book, so I end up writing my own book.
