#### What is -9 to the 2nd power

"People say that what we're all seeking is a meaning for life. I don't think that's what we're really seeking. I think that what we're seeking is an experience of being alive, so that our life experiences on the purely physical plane will have resonances with our own innermost being and reality, so that we actually feel the rapture of being alive."

#### The Power of Myth Quotes by Joseph Campbell

The following is a list of definitions relating to conversions between microseconds and seconds. What is a microsecond (µs)? A microsecond is a unit of time. The symbol for microsecond is µs.
