Saunders's role is to provide guidance to local homeowners on how to discourage the attention of passing burglars, even offering architectural input into how suburban homes and downtown business districts should be designed to deter future crime. Any golden rule is fallible when it comes to predicting or deterring burglary.

## **The Burglar's Guide to Your Home - Metropolis**

Burglary, also called breaking and entering and sometimes housebreaking, is illegally entering a building or other areas to do something illegal there. Usually that offence is theft, but most jurisdictions include others within the ambit of burglary. To commit burglary is to burgle, a term back-formed from the word burglar, or to burglarize.

## **Burglary - Wikipedia**

Burglars can make powerful attacks after they achieve a critical hit (see Burglar's Advantage, Double-edged Strike, Exposed Throat, and Flashing Blades). Therefore, one of the Burglar's most important stats is Critical Rating, which dictates the chance of making critical hits. While Agility and Fate increase Critical Rating to some extent, maximally effective Burglars will want an even greater increase.
