And although he is resuscitated, he will never be the same. For, as Peter Carey makes abundantly clear in this darkly funny novel, death is sometimes a necessary prelude to real life. Part The Wizard of Oz, part Dante's Inferno, and part Australian Book of the Dead, Bliss is a triumph of uninhabited storytelling from a writer of extravagant gifts.

Bliss By Peter Carey This story is really quite bizarre and at times very surreal. Harry Joy has a heart attack and once resuscitated, realises the life he is living, is hell - a wife that cheats on him, a son selling drugs and a communist for a daughter. He finally finds heaven, in the form of Honey Barbara and finds salvation in a rain forest.

He could walk into a room and sit down and everybody would be happy to have him, even if all he ever did was smile, for they imagined behind the mustache, behind the smile it hid, something sterner, more critical and yet, also, tolerant, so that when he smiled they felt themselves approved of and they vied with each other to like him best."

**Bliss Quotes by Peter Carey - Goodreads**
"Bliss" reminds me more of some of my favorite novels than it does any other films. Peter Carey's novel and adaptation have some of the feeling of John Irving's earlier works, but it's not derivative.
