My husband and I just purchased this model second hand. We had thought it was going to be like the other one we have (The newer Diaper Genie Elite model). Unfortunately, I am clueless as to how to set the older one up. It's the one with the pink plastic lid and some kind of "twist/ rotate" feature. Please help! It seems to be discontinued and I can't find any clear tutorials online.

Diaper Genie, a creation of entrepreneur John Hall, is a baby diaper disposal system. The unit consists of a large plastic container with a plastic lid. The system seals diapers individually in a scented film to protect against germs and odors. By opening the lid on the top of the canister, a soiled diaper may be inserted into the "mouth" of the container.
