In Caryl Churchill's Fen, laborers are bound to the land. These women pick out stones from the fields, dig up potatoes, and bag onions. Their lives are determined by the farmers and faceless conglomerates who buy up the land--economic transactions which keep the villagers in poverty. One woman, Val, can no longer bear the dreary life she is in.

fen by caryl churchill script

Like many of Churchill's earlier plays, Fen addresses the interactions among a community of people, rather than singling out one or two individuals for dramatic treatment. Here, Val, one of the women who work in the potato fields, stands out from the rest, but only as the catalyst for the story's investigation of the social constraints dictated by the economics of labor.
