Knife by R.J. Anderson was published as Spell Hunter in the US and is the first book in the Faery Rebels series. I got the UK edition because I think it looks much better than the US one and the UK covers for all the books in the series match. The picture below doesn't do the cover justice because it's a lot nicer in person - the blue stands out against the black and the print is shiny.

R.J. Anderson has done it again, proving that she was not merely a one-hit wonder with her debut novel, FAERY REBELS: SPELL HUNTER, which was one of my favorite reads of 2009.
