Summary. Analysis. Pi expounds on the idea of territoriality in animals. He says that if you fall into a lion's pit, the lion will kill you not because it's hungry but because you have crossed its boundaries. Lions (like most animals) respect the territory of others as well as their own, which is how lion-tamers work.

Ang Lee's "Life of Pi" is a miraculous achievement of storytelling and a landmark of visual mastery. Inspired by a worldwide best-seller that many readers must have assumed was unfilmable, it is a triumph over its difficulties. It is also a moving spiritual achievement, a movie whose title could have been shortened to "life."

Life of Pi movie review & film summary (2012) | Roger Ebert

In Life of Pi, Yann Martel uses Pi's experiences with the ocean and the island to represent life with faith, and life without faith. Pi's experience with the island is an allegory to the inner struggle with doubt on the spiritual journey of finding religion, and the ocean represents life with religion, where Pi is only able to persevere by faith alone.

Religious Allegories in Life of Pi | Literature Essay Samples

Pi has heard many people say negative things about zoos—namely that they deprive noble, wild creatures of their freedom and trap them in boring, domesticated lives—but he disagrees. Wild animals in their natural habitat encounter fear, fighting, lack of food, and parasites on a regular basis.

Life of Pi: Important Quotations Explained | SparkNotes

Tsimtsum is the name of the ship that sinks on its passage across the Pacific, drowning Pi's family and leaving Pi stranded on a lifeboat. The word "tsimtsum" (or tzimtzum) describes an idea from the Jewish Kabbalah teachings of Isaac Luria, a rabbi and mystic who is mentioned elsewhere in Life of Pi. The concept of tzimtzum says that God withdrew or contracted his infinite light in order to create the universe.

Study Guide

Belief in God. Belief in God is clearly a major theme in Life of Pi, and has been the most controversial in reviews of the book. Throughout the novel, Pi makes his belief in and love of God clear—it is a love profound enough that he can transcend the classical divisions of religion, and worship as a Hindu, Muslim, and Christian. Pi, although amazed by the possibility of lacking this belief, still respects the atheist, because he sees him as a kind of believer.
