Castle Master Walkthrough, ZX Spectrum

Mastering Machine Code on the Sinclair ZX Spectrum. When I used to have a Sinclair ZX Spectrum computer I had a couple of books on mastering machine code programming but never managed to pick it up. I could program quite well in BASIC but that was easier to understand. However, it was very rare indeed for commercial software to be written in BASIC as machine code programs ran much faster.

Mastering Machine Code on the Sinclair ZX Spectrum

Castle Master is the fourth and final individual game to use the Freescape first-person solid 3D game system (after Driller, Dark Side and Total Eclipse). As a Prince or Princess armed with a slingshot, you have to explore a medieval castle to free your beloved from the evil Magister. Gameplay combi...
