Racism is a public health issue that adversely affects those who are pregnant, new parents, babies, children, adolescents, and their families. This is a call for manuscripts; @MCNOnline is having a special issue on the effects of racism and inequities in health and health care on the maternal-child population.

### **MCN: The American Journal of Maternal/Child Nursing**

A respected authority revised for today's changing health care environment, Maternal & Child Health Nursing, 8th Edition presents maternal-newborn and child health care not as two separate disciplines, but as a continuum of knowledge. Using a nursing process framework, this proven text applies a clear, easy-to-understand approach and wide range of built-in learning aids to help you master essential concepts and skills for success in this ever-changing and increasingly important field.
