A couple of years ago I bought a book about Numerology titled Numerology and the Divine Triangle by Faith Javane. This book was a great revelation to me, because despite I already had a basic background in numerology, I didn't know anything about the Divine Triangle which is based on the Life Theorem of Pythagoras. Faith Javane openly says in her book that she received this information from a teacher back in 1938, who gained this knowledge on an astral plane from a teacher who believed to ...
