Introduction to philosophy PY1020 | University of London

One frustration most philosophy students share is a consequence of the gulf that exists between what the study of philosophy actually involves, and what many people who have never studied philosophy – which includes most of our family and friends and acquaintances – think it involves. Some will confuse philosophy with psychology, or with religion....

What is Philosophy? | University of London International ...

Specifically, it will be about how I approach the study of philosophy as a University of London (UoL) student. My aim in sharing my approach to studying philosophy is threefold: first, I hope that it will provide those who may be interested in studying philosophy both with an idea of what it's like to study it at the university level, and ...
