### Stress Test Reflections On Financial

Stress Test is also a valuable guide to how governments can better manage financial crises, because this one won't be the last. Stress Test reveals a side of Secretary Geithner the public has never seen, starting with his childhood as an American abroad. He recounts his early days as a young Treasury official helping to fight the international financial crises of the 1990s, then describes what he saw, what he did, and what he missed at the New York Fed before the Wall Street boom went bust.
