It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

### **Amazon.com: Suzuki Grand Vitara**

The Suzuki Vitara is a compact SUV produced by Suzuki in four generations since 1988. The second and third generation models were known as the Suzuki Grand Vitara, with the fourth and current series eschewing the "Grand" prefix. In Japan and a number of other markets, all generations have used the name Suzuki Escudo.. The original series was designed to fill the slot above the Suzuki Jimny.

### **Suzuki Vitara - Wikipedia**

Start the engine, turn the AC on high, and check to ensure the Suzuki is in park. The pressure gauge on the device will now indicate the level of refrigerant currently in the system. If the needle points anywhere below the green area of the gauge, the pressure has dropped too low and the Grand Vitara's system needs a recharge.
