The Clinton Tapes Wrestling History

Most tapes of the Cold War presidents still lay unknown or neglected. By the time scholars and future readers realize their incomparable value for history, these unfiltered ears to a people's government will be long since extinct. To compensate for that loss, Clinton had resolved to tape a periodic diary with my help.

Amazon.com: The Clinton Tapes: Wrestling History With the ...

I read criticism by several reviewers on the Amazon website who thought that The Clinton Tapes: Wrestling History With the President was disorganized and that essentially all Branch did was record the President's wide-ranging thoughts and views - everything from brokering peace in the Middle East to how he played the 8th hole on a certain golf course. This is true.

Clinton controls the tapes. Branch didn't have the opportunity to listen to them while preparing this book — and Clinton will decide when and if they are made available to the public.

Book Review | 'The Clinton Tapes: Wrestling History With ...

Branch's book on former president Bill Clinton, The Clinton Tapes: Wrestling History With The President, was written from many tape-recorded interviews and conversations between the two, most of which occurred in the White House during Clinton's two terms in office and which were not disclosed publicly until 2009 at the time of the book's publication.

Taylor Branch - Wikipedia

Taylor Branch, the Pulitzer Prize-winning author of Parting the Waters, draws on seventy-nine confidential conversations with President Bill Clinton from 1993 to 2001 to offer a unique record of the Clinton presidency, as well as one of the most vivid, frank, and intimate glimpses into the mind of a sitting president ever published, in THE CLINTON TAPES: Wrestling History with the President (Simon & Schuster; September 29, 2009; \$35.00). Branch, a longtime friend of Clinton's, served as ...

Taylor Branch | The Clinton Tapes

"The Clinton Tapes: Wrestling History with the President" is Branch's perspective of the entire oral history process, drawn from his personal post-interview tapes, not the actual oral history recordings, which Clinton himself kept.
